### **MEMBERS' REPORT For the Year Ended 31 March 2020**

The members present their annual report together with the audited financial statements of Sand Grove Capital Management LLP (the LLP) for the year ended 31 March 2020.

#### **Principal activities**

The principal activity of the LLP is the provision of investment advisory services. The LLP is authorised and regulated by the Financial Conduct Authority ('FCA').

#### **Pillar III disclosures**

The firm has documented the disclosures required by the FCA under BIPRU 11. These are available at [www.pillar3.eu](http://www.pillar3.eu).

#### **Designated members**

S Davies and Sand Grove Capital Intermediate Ltd were designated members of the LLP throughout the year.

#### **Subsequent Events**

The COVID-19 pandemic has had a significant impact on the global economy in early 2020. The operations of the LLP have not been significantly disrupted. The financial position of the LLP remains strong, and the members believe the LLP is well-placed to manage the risks it faces in the current environment for the foreseeable future.

#### **Members' capital and interests**

Members share profits and losses in accordance with profit sharing arrangements. Members are permitted to make drawings in anticipation of profits which will be allocated to them.

Members' capital of £550,000 is not repayable except where allowed under FCA rules. A further £35,000 of members' capital is repayable to members on their retirement from the LLP. The amount of capital and drawings is determined by the regulatory capital requirements of the FCA and any trading needs of the LLP.

#### **Members' responsibilities statement**

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008) requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008) the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures

**MEMBERS' REPORT (CONTINUED)**  
**For the Year Ended 31 March 2020**

disclosed and explained in the financial statements;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and to enable them to ensure that the financial statements comply with the Companies Act 2006 (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008). They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Disclosure of information to auditors**

Each of the persons who are members at the time when this members' report is approved has confirmed that:

- so far as that member is aware, there is no relevant audit information of which the LLP's auditors are unaware, and
- that member has taken all the steps that ought to have been taken as a member in order to be aware of any relevant audit information and to establish that the LLP's auditors are aware of that information.

**Auditors**

The auditors, Rees Pollock, have indicated their willingness to continue in office. The Designated members will propose a motion re-appointing the auditors at a meeting of the members.

This report was approved by the members on 21 July 2020 and signed on their behalf by:

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SAND GROVE CAPITAL MANAGEMENT LLP**

### **Opinion**

We have audited the financial statements of Sand Grove Capital Management LLP (the 'LLP') for the year ended 31 March 2020, which comprise the statement of comprehensive income, the balance sheet, the statement of cash flows, the reconciliation of members' interests and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the LLP in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the LLP's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The members are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SAND GROVE CAPITAL MANAGEMENT LLP (CONTINUED)**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006, as applied to limited liability partnerships, requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of members**

As explained more fully in the members' responsibilities statement on page 1, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### **Use of our report**

This report is made solely to the LLP's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applied by Part 12 of The Limited Liability Partnerships (Accounts and Audit)(Applications of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Year Ended 31 March 2020**

**1. Accounting policies**

**Basis of preparation of financial statements**

Sand Grove Capital Management LLP is a limited liability partnership incorporated in the UK.

The LLP's registered office is 35 Dover Street, London W1S 4NQ.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" published in December 2018.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. Management do not consider there are any key accounting estimates or assumptions made that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

Management are also required to exercise judgment in applying the company's accounting policies. Due to the straightforward nature of the business management consider that no critical judgements have been made in applying the company's accounting policies.

The following principal accounting policies have been applied:

**Turnover**

Turnover comprises revenue recognised by the LLP in respect of investment advisory fees, comprising management and performance fees. Management fees are recognised as they accrue across the year. Performance fees are recognised on crystallisation.

**Members' remuneration**

Remuneration is paid to certain members as an automatic profit share and these amounts are included as an expense in the statement of comprehensive income after arriving at "profit for the financial year before members' remuneration and profit shares".

A member's discretionary share in the profit or loss for the year is accounted for as an allocation of profits.

Unallocated profits and losses are included within "other reserves".

**Financial instruments**

The LLP takes out foreign exchange forward contracts to protect against future currency fluctuations. Forward contracts are initially recorded at fair value and are subsequently remeasured at fair value based on mid-market forward rates, with gains and losses recognised in profit or loss.

Aside from foreign exchange forward contracts, the LLP's financial instruments arise directly from operations.

All trade and other debtors are initially recognised at transaction value, as none contain in substance a financing transaction. Thereafter trade and other debtors are reviewed for impairment where there is objective evidence based on observable data that the balance may be impaired. The LLP does not hold collateral against its trade and other receivables so its exposure to credit risk is the net balance of trade and other debtors after allowance for impairment.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Year Ended 31 March 2020**

**1. Accounting policies (continued)**

**Financial instruments (continued)**

The LLP's cash holdings comprise on demand balances. All cash is held with banks with strong external credit ratings.

Trade and other creditors and accruals are initially recognised at transaction value as none represent a financing transaction. They are only derecognised when they are extinguished.

The LLP only has short term receivables and payables, the latter including amounts due to members. Note 9 provides details of the LLP's overall liquidity position at the balance sheet date.

**Foreign currency translation**

**Functional and presentation currency**

The LLP's functional and presentational currency is GBP.

**Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

**Tax provision**

The taxation payable on profits is the personal liability of the members during the year.

**Operating leases**

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the lease term.

**2. Turnover**

The whole of the turnover is attributable to the principal continuing activity of the LLP.

All turnover arose within the United Kingdom.
